ANNUAL REPORT 2022

2022 offered us 365 days of opportunities to join forces with people committed with making a difference. Family heads, entrepreneurs, foundations, governments, institutions or simply individuals seeking a better world, have all contributed in some way with their time, effort or resources. You are those people, and we want to thank you for being a part of the work Palace Foundation does every day. Without your support, we would not have been able to sustain our impact during the past 19 years nor would we be able to continue in the future. We urge you to read and share the achievements of the past year so we can celebrate the goals fulfilled together and keep on working for a better world.

"After going to the 'A violence-free life' forum I realized I am living in a violent setting, with situations that seemed normal but are not.
